### **SOS / TC Tour Payments:**

This year’s tour will be to Chicago IL, March 24<sup>th</sup> – 28<sup>th</sup>, 2010.

The total cost of the trip is estimated at approx. \$1,200. Our

payment schedule will be \$150 due on the 5<sup>th</sup> of each month

until the trip is fully paid for: **Tour checks payable to “HHS**

**Choir Club #614”.**

8/5 \$150      10/5 \$150      12/5 \$150      2/5 \$150

9/5 \$150      11/5 \$150      1/5 \$150      3/5 \$150

### **Tax Credit Info:**

All Activity Fees, Costume Fees and field trip payments (including payments made throughout the year each month that they are due) can be paid for with AZ State Tax Credits. Always make these checks payable to “Horizon High School” or “Paradise Valley Unified School District”. Married couples can donate up to \$400 and single parents can donate up to \$200. Anyone who lives in Arizona can donate in your child’s name. You simply need to fill out a form that can be picked up in the bookstore, return it along with your check to the bookstore, get a receipt showing your donation and bring it to the choir room to record the donation. Once we have a copy of the receipt, we will apply that tax credit money towards your child’s tour, costume or activity fee. Contact the HHS Bookstore for more information: 602-449-6019

### **Retreat Fee:**

The retreat fee is of \$150 is collected in May so that the money can be spent over the summer for retreat planning. This fee covers the cost of renting the camp facility, busses to and from camp, all meals, supplies and t-shirts for retreat, guest clinician fees, and the cost of snacks etc. throughout the weekend. Retreat fees are made payable to “ACCENTS” since it is difficult for the school to cut checks and take care of these payments over the summer.

### **Important Note:**

In this choir program, we are all equal regardless of economic background. No student, who performs to the best of his or her ability will be denied the opportunity to participate in an activity because of a lack of personal wealth. However, it is the student’s and parent’s responsibility to communicate directly with the teachers in order to handle this situation when it arises. **All requests for financial assistance must be submitted in writing, accompanied by a scholarship application form, available in the Choir Office.** Students who receive financial assistance are expected to participate in all fundraisers and to help the program in a service capacity on a regular basis to give what they can back to the program that is monetarily assisting them. If a student is not contributing to the program in other ways and meeting all class requirements, he or she will risk losing scholarship money or payment extensions.

### **Students in both TC & SOS:**
